Tim Lingberg

Nerdy System Administrator

DIGITAL TOOLS

ACTIVITIES

Tim is 35 years old and he live in Geneva, Switzerland. He's the system's administrator of the school where he studied. He's a geek and he studied computer science.

NEEDS

- Tim want an easy to use system but also well documented, so that other people working in the school like teachers or offciers can learn by themselves.
- He also want to work with a reliable system because he want to stop to wake up in the middle of the night for some stupid crash.

GOALS AND DESIRES

His goal is to have an easy to use, reliable and easy to maintain system for the administration of the whole technology of the school. He doesn't want to think to the systems when he's at home watching his preferred movies.

OBSTACLES AND FRUSTRATIONS

- Not well documented software makes him crazy.
- Peoples not reading guides too.
- Bugged software
